Hi Melissa,

As discussed, due to operational and safety concerns, we are tightening up and restricting visitor and media access to the GKM site.

Please find attached the revised plan. As you will note, we are intending to funnel these requests through press@epa.gov, assuming that OPA would then coordinate with comms/pio on the ground.

Please let us know if this works for you.

We are preparing to finalize this through the Area Command and will share with all appropriate parties.

Thanks ng
